The Brofman Foundation for the Advancement of Healing was founded by Martin Brofman. It exists to

promote the cause of healing in the world, as well as the particular methods of healing that Martin Brofman

has developed. These are the **Body Mirror System of Healing** (Exploring the Body Mind Interface through

the Chakras) and A Vision Workshop (Using Your Mind to Clear Your Eyesight). Both classes are based on

the idea that being healthy and happy is necessarily linked with thinking for yourself, taking responsibility for

These self-help methods are described in Martin Brofman's books, Anything Can Be Healed, and Improve Your Vision, both published by Findhorn Press, and are being taught by our highly trained instructors around

the world in various languages, for the benefit of humanity. These tools and techniques help people to understand themselves and those around them, as well as providing practical means for improving the

It's effective, and it explains healing and the body mind interface from the point of view that everything

It begins with an orientation of the client to the concept that everything begins in the consciousness, and reading the body as a map of the consciousness within in order to see the inner cause to the physical

symptom. The symptom on the physical level reflects tension in the person's consciousness about something

When the person recognizes the relationship between what has been happening in their body and what has been happening in their consciousness they are given the plan of the healing - exactly what will happen

During the actual healing they are filled with White Light and I look inside to see what has been happening in the chakras and how they reflect what has been happening in the person's consciousness and body - and

Afterward I ask them whether they feel the same or different, and after they describe something they notice that is different and better they are given an explanation of what was done during the session, what was

Hopefully only once. When someone really wants to be healed, they want to be healed NOW, so I work with

They should come with a sense of openness and expectancy of being healed, and willing to hear the

Is Aura / Energy Healing covered by any insurance or extended medical coverage in your area? If so,

We are each an energy system, energy in a state of movement. When someone blocks the flow of energy through some decision they make resulting in tension, they are out of balance. When the tension reaches a certain level of intensity they create a symptom. The symptom speaks a language that reflects the idea that we create our reality. Thus, all symptoms are just bloicked energy. When the person understands the inner cause to the symptom and gets the message of the symptom, and when the energy system is rtebalanced, the symptom has no further reason for being there, and can be released, and the person can return to their

feedback though they are always free to say that the explanations talk to them, or not really.

when I see something out of balance, I move things around, and the effect of that is to rebalance the

person's energy field so that they feel different in their body and their consciousness.

seen and what it means, and they have the opportunity to see how that talks to them.

these classes in weekend seminars in these and other countries around the world.

countries, including the U.K., USA, France, Switzerland, Italy, etc. Other instructors trained by him also teach

EMAIL MARTIN () Morgenavisen Jyllandsposten Newspaper - Denmark - 29 November 1987

What are the benefits/results people see from Aura / Energy Healing? Release of symptoms and understanding their own body mind interface. Why do people come to see you rather than another practitioner of Aura / Energy Healing? Healed myself of terminal cancer in 1976, learning about the Body Mind interface in the process. I developed the Body Mirror System of Healing, now taught worldwide by myself and other instructors trained by me. Also developed a system of vision improvement, A Vision Workshop, also taught worldwide. My books Improve Your Vision and Anything Can Be Healed have been published by Findhorn Press and translated into 15
